

## Vision Document GDC Chail-Koti, Shimla

Located in the lap of nature, Govt. College Chail-Koti is emerging as an insignia of Human and Academic Excellence. As a newly incepted institution of higher education, we are consistently endeavoring to reliably develop and enrich the academic quality. We frame various plans and policies to enhance the quality of higher education as stated by NAAC. The functioning of the college is regulated by the head of the institution and various committees constituted to make sure the effective implementation of quality-related initiatives. IQAC establishes a link and coordination between the teachers and the College administration.

### Mission

- To develop both physical and digital infrastructure and to attract the students to study here and thus utilize the maximum of feeding area.
- To create a student-centric learning environment to enhance the quality of teaching, learning, and evaluation processes by optimum utilization of infrastructural facilities and resources.
- Consistent monitoring of plans and strategies through periodic reviews and meetings to maintain a conducive learning environment.
- Effective enactment of quality-related initiatives and measures based on feedback from various college committees/ clubs and societies.
- To organize inter and intra-institutional workshops/seminars/conferences/symposiums/ training sessions/ special invited lectures to improve professional skills and teaching capabilities of the faculties.
- Conducting academic audits with faculty members to ensure quality.
- To provide the students with educational versatility by starting skill-based/ value-added courses and diploma programs.
- To maintain an effective feedback system to facilitate the regular evaluation of the decentralized system's operation.
- To create an institutional database and disseminating information.
- To prepare and submit Self-study Report (SSR) to ensure the NAAC accreditation.
