Abdul Kalam by reading in Regional languages made progress in future and became aerospace scientist and statesman. For Hardwork, there are required efforts. One has to bear the pain of hardwork.

3) Motivation—Why I have to do this work. ~~It~~ wood is not put fire then it extinguishes. In life, keep the stories of Hanuman and Jambvan in mind. Motivation comes from Role model. He motivated the students

that among you, after four five years you will be in Administrative field. other jobs and agriculture provided you keep connected. 4) Discipline—In life, discipline

in life should be in right direction. Twenty one days continuous work bring change in life. What I have to do in next year. I have to do M.A./M.Com. In next

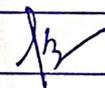

year, goal setting should be NET or SPT. Read and write, take part in sports learn music. It will develop personality. Due attention may be given on goal. As your vision was clear, you should develop yourself. Write on paper your goal

and bad habits. Focus on good habits and give up bad habits. 5) Goal Setting - He told the students to feel sure that we have to do this. Deadline should be clear that in which period I have to pass Exam of NET or PNB and SBI exam. Previously there were separate exams for State Bank and other banks. Now one exam is common for all bank services. But it is held in two phases Preliminary and Mains. There is common exam for RBI Grade Officer, NABARD exam, RBI. On the basis of merit, it is decided which bank candidate will join whether Canara bank or other bank.
