

Anti Drug Cell

E-Pledge campaign (Report)

Anti Drug Cell

In compliance with the orders issued by the Directorate of the Higher Education, the Anti-Drug Cell of Govt. College Chail-Koti organized an E-Pledge on 26-07-2025, aiming to save students from the swiftly spreading drug addiction among youth. The principal, Dr. Deepshikha Bhardwaj, while presiding over program, said that drug addiction impacts consumers negatively and scratches their both physical and psychological health. She added that unfortunately the school children and youth are becoming victims of various types of drugs, which is a matter of sincere concern. She advised the children to stay away from drugs and said that if any person encourages them to take drugs, they must inform their respective parents or school principal so that legal action can be taken against such person. Expressing her concerns, she stated that Himachal Pradesh has reached on such a stage in terms of drug abuse that awareness campaigns are not enough. It is now realized that we need preventive measures to stop drug abuse. It was also resolved that the educational institutions need to work in collaboration with police so that the peddling of drugs may be controlled. The students took a pledge saying no to drugs consumption and promised principal to observe discipline in the college.
