

An on-the-spot poster making and display competition on road safety awareness was successfully organized at GDC Chail Koti on 28 November 2025, under the patronship of the worthy Principal, Dr. Deepshikha Bhardwaj Ji. The event aimed to develop a responsible attitude towards road safety rules among students. Around 70 enthusiastic students participated in the competition and creatively presented various important issues related to road safety, such as traffic rules, accident prevention, helmet use, and pedestrian safety. The posters reflected the students' awareness, creativity, and concern for public safety, and the themes were meticulously displayed. The programme not only provided a platform for artistic expression but also helped in sensitizing students about their responsibilities as future citizens and road users. Dr. Deepshikha Bhardwaj appreciated the sincere efforts of the students and lauded the initiative taken by the Road Safety Club of the college. She also congratulated the winners for their outstanding performance and encouraged all participants to continue spreading awareness on road safety in society. The event was organized under the guidance of the Nodal Officer, Prof. Devender Singh, whose support and coordination contributed to the smooth conduct and success of the programme.
